

## **Thursday, May 24**

### **8:00-10:00 a.m. Breakout Sessions**

#### **To Transfer or not Transfer?**

(Heartland III/IV)

In March 2018, a revised Adult Intrastate Transfer Policy was issued, along with CSTS transfer module enhancements. This training will review the intrastate transfer philosophy and provide an overview of changes to the new policy.

*Presented by Evonn Westcott, Brown Co. Probation and Traci Green, Wabasha Co. Probation*

#### **Work Tragedy, PTSD and Rising Up**

(Heartland I/II)

Chuck will discuss the events he encountered in his career and how they affected him psychologically and professionally. This session will include discussion on how to assist employees/co-workers suffering from public-safety work stress and PTSD.

*Presented by Charles "Chuck" Gollop, Retired Police Sergeant from Bloomington Police Dept.*

#### **Medical Marijuana and Supervision**

(Pelican)

Minnesota's Medical Cannabis Program is almost three years old. This presentation will explain the medical focus of Minnesota's program and how it compares with other states' programs. We will review the structure, the law and the protections of the program. We will look at approved forms of medical cannabis and who is authorized to use/possess medical cannabis. Finally we will look at what the program has learned from its participants since the inception of the program.

*Presented by Michelle Larson, Director, Mn. Dept. of Health's Office of Medical Cannabis*

### **10:30 a.m. – 12:30 p.m. Breakout Sessions**

#### **The New Criminal History System and other BCA Systems-Providing you Information for Effective and Efficient Decision Making**

(Heartland III/IV)

This session will give an overview of the new criminal history system released on March 19, 2018. It will also provide an update on additional features that will be added soon and give you a chance to provide feedback on CHS from your perspective. This session will also discuss the FBI's National Data Exchange (NDEx) and the notices received from the BCA about probation clients with potential new criminal activities.

*Presented by Gary Kalstabakken and Carla Duellman, Mn. Dept. of Public Safety*

#### **Traumatic Brain Injuries and Cognitive Disabilities**

(Heartland I/II)

This session will discuss the common, basic identifiers and issues to help identify people who you might be working with that may suffer with TBI's and/or cognitive disabilities. Discover reasons for increased substance abuse among this population and information regarding what behaviors could potentially be related to TBI.

*Presented by Molly Gilbert, M.Ed., Director of Business Development, Vinland National Center*

## **Beyond Pink and Blue: Working with Trans and Gender Queer People**

(Pelican)

This training will be a combination of lecture, discussion and working through hypothetical cases. The following topics will be discussed: Appropriate and respectful terminology around gender identity, including the difference between sex and gender, genderless documentation, gender identity development across the life span, risk factors for transgender and gender non-conforming individuals including sexual assault, social isolation, drug use and manipulation for resources, homelessness and advocating for your client.

*Presented by Trevor LeCocq, LPCC, The Hills Youth and Family Services*

## **2:00-4:00 p.m. Breakout Sessions**

### **QPR: (Question, Persuade, Refer)**

(Heartland I/II)

The three simple steps anyone can learn to save a life from suicide. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade and refer someone to help. Each year thousands of Americans, like you, are saying “yes” to saving the life of a friend, colleague, sibling or neighbor.

*Presented by Mary Marana, Executive Director, Crisis Line and Referral Service, Brainerd*

### **The John Next Door: Understanding Sex Buyers and Accountability Approaches**

(Pelican)

How does a man become a “John?” How does our culture groom and foster an atmosphere where sexual exploitation is normalized and condoned? This session will explore the demographics, attitudes, behaviors and motivations of sex buyers. This session will also present different John School models, program analysis and effectiveness and the importance of offender accountability.

*Presented by Rebecca Kotz, Trafficking Services Coordinator, Central MN Sexual Assault Center, St. Cloud, MN*

### **Carey Guides**

(Heartland III/IV)

This session will provide an overview of the Carey Guides, why they were developed, how they are structured and what is contained in each guide, In addition participants will learn what benefits them as a probation officer as well as the offender and what offenders benefit from use of these guides.

*Presented by Michelle Nistler, Cass Co. Probation*
